PETITION FOR LEAVE TO AMEND

National Christian Network, Inc. ("NCN"), applicant for a construction permit for a new noncommercial educational FM station at Fayetteville, Arkansas, by its President, hereby respectfully requests the Presiding Officer to grant it leave to amend its above-referenced application (File No. BPED-900823MA) as set forth herein.

This amendment is filed as a result of a letter, (Reference No. 8920-JDB), dated June 23, 1992, in which Mr. W. Jan Gay, Assistant Chief, Audio Services Division, Mass Media Bureau, requests that a grant of construction permit or other authorization be subject to our accepting a special operation condition. This amendment states NCN's acceptance of the special operation condition, thereby eliminating the contingent environmental issue from the hearing designation order.

Therefore, it is requested that the attached amendment be accepted. WHEREFORE, good cause having been shown, it is respectfully requested that the NCN petition be granted and the subject amendment be accepted.

Respectfully submitted,
NATIONAL CHRISTIAN NETWORK, INC.
